SHORT SESSION OF COURT

THREE LONG ISLAND BOYS PAROLED AND SENT HOME.

One Goes to Glen Mills—Deceit of Maintenance for Wives—Other Business Before Court.

Judge D. P. McPherson and Associate Judges E. P. Miller and H. D. Pearson presided at a Court on Monday to dispose of some business remaining from the August Court.

Alfred Curran, Frank Todd, Eddie Davis and Charles O'Brien, three from Long Island and one from New York City came before the Court to have their cases finally disposed of. They were charged with breaking in and entering a house in Abbottstown and ransacking it without taking anything. Curran, Todd and Davis paroled by the Court into the custody of their parents and an organization for the uplift of wayward boys in New York City. The O'Brien boy was reported as under several sentences in New York City and the Court committed him to the Glen Mills School.

At a hearing on last Saturday Harvey McClellan was ordered to pay his wife \$300 a week and remanded into the custody of the sheriff until he filed a surety bond of \$500.

Adolph Kicker, a miller, residing in Latimore township, was sued by his wife for non-support and ordered to pay his wife \$100 a week.

The desertion and non-support charge preferred by Mrs. Frances J. Ney against her husband, Fred Ney, of Gettysburg was heard Monday afternoon. Ney was ordered to pay his wife the sum of \$400 a week and was remanded until bond of \$500 is filed as surety.

Abraham L. Wolf was appointed Auditor of Germany township to fill the vacancy caused by the removal of George Dayhoff from township on April 1.

The Court was asked to direct that letters of administration on the estate of Percy Roy Kitzmiller and the latter be adjudged dead by reason of being absent from Gettysburg seven years and over. He was last heard from in Oct. 1914 when a postal card was received, giving a point 75 miles from Spokane as his abode and giving later city for mail to be sent to him. His mother had written him to him to have her letters returned. The Court fixed Nov. 10 for the hearing of evidence as to the presumed death of Percy Roy Kitzmiller and that notice be published of hearing.

Ivan C. Sentz was released from jail, upon his application as an insolvent debtor. He had been sentenced on three charges issuing checks without the money in bank and the sentence expired in May and he was held for \$10 fine and the costs which he alleged he was unable to pay.

Admittance was filed by J. Donald Swope, Esq. and John D. Keith Esq., counsel for Helen Geiselman that they had not received directly or indirectly any fees because of the inability of Miss Geiselman to pay the same. This affidavit was filed as the basis for an allowance to be made counsel by the Court.

The Evidence is at Your Door.

Gettysburg proof is what you want and the statement of this highly respected resident will banish all doubt:

Charles Rosensteel, prop. blacksmith shop, 315 S. Washington St., Gettysburg, says, "I am of the opinion that there is no better kidney remedy than Doan's Kidney Pills. I am a blacksmith and I believe that the heavy work I did was the cause of my kidney trouble. My kidneys were very sore and there were times when they felt like lumps of lead pressing against me. Daring pains bothered me when I bent over to place a shoe. My back was often stiff and lame, but the main trouble was with my kidneys. The kidney secretions seemed to be filled with a heavy sandy-like substance and were too scanty in passage. I was pretty much out of fix when I heard of Doan's Kidney Pills. I got a couple of boxes of Doan's and by the time I had used them, my back was all right. The kidney secretions were cleared up and the soreness left my kidneys. I was fixed up in a first-class way. Doan's are, in my opinion, a great kidney remedy." See at all dealers. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
